2. CALLER’S MINDSET & THE FIRST 10 SECONDS

Golden Rule #1: The goal of a cold call is NEVER to close the deal on phone. The sole objective is to earn permission to send a 15-second personalized WhatsApp demo video link.

- â¢ Pre-Call Reconnaissance: Check M7 Dashboard for Business Name, City, Google Rating, and Website status.
- â¢ Positive Terminology Rule: Never say ’Aapke business mein problem hai’. Always say ’Digital Growth Opportunity’ or ’Next-Level Automation’.
- â¢ Tone & Energy: Friendly, conversational Roman Urdu/English mix. Maintain confident, enthusiastic pacing.

3. THE 5-STEP COLD CALL ANATOMY

- â¢ Step 1 (0-5s) - The Warm Hook: Assalam-o-Alaikum + Decision Maker confirmation.
- â¢ Step 2 (5-15s) - The Specific Compliment: Reference their Google rating, catalog, or physical outlet.
- â¢ Step 3 (15-30s) - The Gap & Solution: Highlight missing 1-click WhatsApp order flow or mobile store.
- â¢ Step 4 (30-40s) - The No-Brainer Offer: Mention clear starter pricing (PKR 10,000 - 20,000).
- â¢ Step 5 (40-50s) - The Frictionless CTA: Ask permission to drop the 15-second WhatsApp demo video.

4. SITUATION-SPECIFIC MASTER SCRIPTS

Scenario A: Bypassing the Gatekeeper / Counter Staff

[GATEKEEPER HOOK] Agent to Staff / Receptionist

Assalam-o-Alaikum! Main Haider baat kar raha hoon MalikAxiom Technology se. Mujhe [Business Name] ke owner ya marketing head se 30 seconds ke liye baat karni thi unke online orders aur business setup ke hawale se. Kya wo is waqt available hain?

[STAFF REBUTTAL] If Staff asks 'Kis silsile mein baat karni hai?'

Actually unki Google Maps listing aur online profile dekhi thi, uske hawale se ek quick growth update share karni thi. Unka direct WhatsApp number mil sakta hai ya call transfer ho sakti hai?

Scenario B: Local Store / Offline Business (No Website, Only Google Maps)

[NO-WEBSITE SCRIPT] Agent to Owner (Boutique, Salon, Retail, Restaurant)

Assalam-o-Alaikum [Owner Name/Sir]! Main Haider baat kar raha hoon MalikAxiom Technology se. Aapka [Business Name] Google Maps par dekhaâ mashallah collection aur reviews aapke kafi zabardast hain! Sir quick baat yeh karni thi ke aapka Google par traffic to aa raha hai, lekin abhi koi direct mobile website ya 1-click WhatsApp order button nahi laga hua. Hum local businesses ko complete digital setup provide karte hainâ jis mein fast mobile website, Google SEO aur 1-click WhatsApp orders shamil hainâ aur yeh complete setup sirf PKR 10,000 se 20,000 se start hota hai. Kya main aapko WhatsApp par ek 15-second ka sample demo link share kar doon taake aap dekh sakein ke yeh aapke business mein orders kaise barhayega?

Scenario C: Instagram / WhatsApp DM Sellers (Manual Order Slips)

[E-COMMERCE SCRIPT] Agent to Online Brand / Instagram Seller

Assalam-o-Alaikum [Name]! Haider baat kar raha hoon MalikAxiom se. Aapka Instagram page dekhaâ designs aapke bohot attractive hain! Lekin ek cheez note ki ke customers ko order confirm karne ke liye DMs mein ghanton wait karna parta hai ya manually slips bhejni parti hain. Humne similar brands ke liye Automated 24/7 Mobile Online Store + COD Integration setup kiya hai jahan customer direct order place karta hai aur aapka 80% manual time bach jata hai. Aap isi number par WhatsApp use kar rahe hain? Main aapko 1 chota sa demo video link bhejta hoon ke yeh live kaise work karta hai.

Scenario D: Clinics / Doctors / Healthcare (Patient Booking System)

[CLINIC SCRIPT] Agent to Doctor / Clinic Manager

Assalam-o-Alaikum Dr. Sahab! Haider Nawaz from MalikAxiom Technology. Aapke clinic ki profile dekhi Google parâ patient reviews kafi positive hain. Sir hum clinics ke liye Online Patient Booking aur Automated WhatsApp Reminder System setup karte hain taake patient direct mobile se slot book kare aur staff ko bar bar phone attend na karna pare. Kya main aapko WhatsApp par ek quick clinic demo overview bhej doon jab aap free hon to dekh sakein?

Scenario E: Follow-Up Call (After Sending WhatsApp Demo)

[FOLLOW-UP SCRIPT] Agent to Prospective Client (Next Day)

Assalam-o-Alaikum [Client Name]! Haider baat kar raha hoon MalikAxiom se. Sir kal maine aapko WhatsApp par [Business Name] ke liye online demo aur website sample bheja tha. Sir kya aapne wo 15-second sample dekha? Kaisa laga aapko design? Hum is mein aapka logo aur complete catalog attach karke kal tak live kar sakte hain.

5. THE MASTER OBJECTION HANDLING VAULT

ð · **OBJECTION: Mujhe zaroorat nahi hai / Hamara offline kaam theek chal raha hai**

Psychology: Complacent, doesn't want change or unexpected risk.

â **WORD-FOR-WORD RESPONSE:**

Bilkul sahi keh rahe hain Sir! Offline walk-in to aapka established hai mashallah. Lekin aaj kal 70% log pehle mobile par search karte hain. Agar 1 clean mobile catalog ho to wahi customers jo ghar baithe hain direct aapko WhatsApp par orders dete hain. Main koi advance commitment nahi maang raha, sirf 1 sample link dekheinâ pasand aaye to agay baat karein gay.

ð · **OBJECTION: Details WhatsApp par bhej dein (The Polite Brush-Off)**

Psychology: Wants to end the call quickly without confronting you.

â **WORD-FOR-WORD RESPONSE:**

Bilkul Sir, main abhi isi number par aapko portfolio aur 15-second ka demo link bhej raha hoon. Aapka good name [Name] hi hai na? Main abhi message drop karta hoon, aap 2 minute nikaal kar dekh lijiyega, phir sham mein 5 baje ek quick feedback ke liye touch base karoon ga.

ð· **OBJECTION: Bohat mehanga hoga / Hamara budget nahi hai**

Psychology: Fears high agency quotes of 50k-100k PKR.

â **WORD-FOR-WORD RESPONSE:**

Sir isi liye to humne specially local Pakistani businesses ke liye customized packages banaye hain. Market mein agencies 50-60 hazaar charge karti hain, jabke hamara complete professional setup sirf PKR 10,000 se 20,000 mein complete ready ho jata hai with zero monthly extra charges. Is budget mein aapko full store + WhatsApp integration mil rahi hai.

ð· **OBJECTION: Pehle se hamara developer / agency kaam kar rahi hai**

Psychology: Loyal or locked into current vendor.

â **WORD-FOR-WORD RESPONSE:**

Bohat achi baat hai Sir! Hum aapke current developer ko replace nahi kar rahe. Sirf ek bar hamara AI Automation & 1-Click WhatsApp Ordering tool dekh lein, agar aapko lage ke yeh aapki sales barha sakta hai to aap apne developer se bhi integrate karwa sakte hain ya humse help le sakte hain.

6. POST-CALL WHATSAPP MESSAGE TEMPLATE
