Target: 50 Calls -> WhatsApp Demos -> Follow-ups -> Paid Clients | +92 313 0466400

1. STAFF / RECEPTIONIST UTHAYE

Agent Opening

"Assalam-o-Alaikum! Main Haider baat kar raha hoon MalikAxiom Technology se. Mujhe [Business Name] ke owner ya marketing person se 30 seconds baat karni thi, online orders aur digital setup ke hawale se. Kya woh available hain?"

Agar pooche 'Kis silsile mein?': "Actually unki Google listing/business presence dekhi thi. Ek quick digital growth opportunity discuss karni thi. Agar possible ho to call transfer kar dein, ya unka WhatsApp number mil sakta hai?"

2. OWNER PHONE UTHAYE (CORE CALL FLOW)

Opening (10 Seconds)

"Assalam-o-Alaikum Sir/Ma'am, Haider baat kar raha hoon MalikAxiom Technology se. Aapka [Business Name] Google/Instagram par dekha tha. Collection/business setup kaafi acha laga. Sir bas 30 seconds ki quick baat thi."

The Pitch & Solution

"Hum local businesses ko online orders aur customer handling ke liye digital setup provide karte hain. Aapka current setup dekha to laga ke ek simple website/catalog aur direct WhatsApp ordering se customers ke liye ordering aur easy ho sakti hai."

CTA & Follow-Up Lock

"Main aapko WhatsApp par ek 15-second ka demo bhej doon? Aap free time mein dekh lena, phir agar relevant laga to 2 minute baat kar lenge."

Agar 'haan' bole: "Perfect Sir. Yehi WhatsApp number hai na? Main abhi send karta hoon. Aur main kal [time] ke around ek quick follow-up kar loon?"

3. SITUATION SCRIPTS (BUSINESS TYPE KE MUTABIQ)

Agar Business ki Website Nahi Hai

"Sir aapki Google presence dekhi thi. Abhi dedicated mobile website/catalog nazar nahi aaya. Hum businesses ke liye ek clean mobile website banate hain jahan customer products/services dekh kar direct WhatsApp se inquiry ya order kar sakta hai. Main aapko ek 15-second sample WhatsApp kar doon? Aap dekh lena ke kaisa lagega."

Boutique / Clothing / Instagram Business

"Aapka Instagram collection kaafi acha hai. Sir ek quick observation thi â agar customer ko products dekhne, price check karne aur order karne ke liye DMs mein manually baat karni pade to process thora slow ho jata hai. Hum ek mobile online store bana dete hain jahan customer directly order place kar sakta hai (COD + WhatsApp). Main ek short demo WhatsApp kar doon?"

Existing Website Hai (Outdated / Slow)

"Sir aapki website check ki thi. Main specifically mobile experience aur customer ordering flow dekh raha tha. Kuch areas hain jahan website ko faster aur more conversion-focused banaya ja sakta hai. Main aapko 2-3 quick points WhatsApp par share kar doon? Aap dekh lena."

Clinic / Doctor / Healthcare

"Assalam-o-Alaikum Doctor Sahab. Haider from MalikAxiom Technology. Aapki clinic profile dekhi thi. Hum clinics ke liye online appointment booking aur WhatsApp-based reminders setup karte hain taake patient direct slot request kare aur staff ki manual call handling kam ho jaye. Main short demo WhatsApp kar doon?"

4. MOST IMPORTANT OBJECTION REPLIES (HAR JAWAB TAYYAR)

OBJECTION: "Humein zaroorat nahi." — **REBUTTAL**

"Bilkul Sir, agar current setup smoothly chal raha hai to that's good. Main koi commitment nahi maang raha. Sirf ek 15-second sample dekh lein. Agar relevant lage to phir baat kar lenge."

OBJECTION: "WhatsApp par details bhej dein." — **REBUTTAL**

"Bilkul Sir. Main abhi isi number par demo aur short portfolio bhej raha hoon. Aapka naam [Name] hi hai na? Main kal [time] par ek quick follow-up kar loon?"

Note: Ye GOOD sign hai! Kabhi sirf 'okay' keh kar call disconnect mat karo. Follow-up time lock karo.

OBJECTION: "Kitne ka hai?" — **REBUTTAL**

"Sir setup requirement par depend karta hai. Basic digital setup usually 10-20k range mein hota hai. Main pehle aapko relevant demo dikha deta hoon, phir exact requirement ke according price bata dunga."

OBJECTION: "Budget nahi hai." — **REBUTTAL**

"Samajh sakta hoon Sir. Isi liye hum small businesses ke liye simple packages rakhte hain. Pehle demo dekh lein, agar aapko value lage tabhi aage discuss karenge."

OBJECTION: "Already developer hai." — **REBUTTAL**

"Bohat achi baat hai Sir. Hum replace karne ke liye nahi keh rahe. Aap sirf hamara setup dekh lein. Agar koi useful feature lage to aap apne existing developer se bhi implement karwa sakte hain."

OBJECTION: "Busy hoon / Drive kar raha hoon." — **REBUTTAL**

"Sure Sir, bilkul. Main WhatsApp par short demo bhej deta hoon. Aap bata dein kal 11 baje ya 3 baje kis time 2 minute ke liye convenient rahega?"

OBJECTION: "Interested nahi hoon." — **REBUTTAL**

"No issue Sir, completely understand. Main disturb nahi karunga. Agar future mein online ordering ya website ki requirement ho to aap hamara WhatsApp save kar sakte hain. Thank you for your time."

Respectfully exit without arguing.
